COLLABORATIVE ACTIVITIES OF MORAN COMMERCE COLLEGE

MEMORANDUM OF UNDERSTANDING (with women cell of Pithubar Girls Degree College)

1. AWARENESS PROGRAMME ON ENVIRONMENTAL PROTECTION AND SAPLING DISTRIBUTION

INTRODUCTION: The Programme is organised by women's cell Moran Commerce College in collaboration with Pithubar Girls Degree College to create awareness on Environment protection and sapling distribution dated 08-03-2022.

OBJECTIVES:

1. To create awareness about green environment and its benefits among the people in the nearby village.
2. To educate simple local community for planting more trees to their surroundings and how to conserve them, thereby making their contribution to save the depleting environment.
3. To initiate a cordial relationship of the college with the local community as a whole.

EXPLANATION: Degradation of environment will ruin the entire community of human race, irrespective of their caste and creed unless timely intervention is taken in hand for improving the same. In the context of same, the college is conducting tree plantation programmes in various locations every year, last year the programme was conducted on 08/03/2022 (Tuesday)

Principal i/c
Moran Commerce College

and invites a notable / distinguished woman every year to our college to encourage other women by sharing their success stories.

OUTCOMES OF THE PROGRAMME: A positive note is observed, whereby such awareness programme helps to change the attitude of the local community towards environment protection and conserve them for the next generation in which students also learned about the importance of environment protection and to maintain a clean and green environment in his/her locality.

CONCLUSION: Thus, the programme was undertaken in collaborative mode which helps to create awareness on Environmental protection among the Villagers of Majhi Gaon and distribution of saplings among the people. The programme was also undertaken to encourage the villagers to plant saplings and maintain a clean environment.
